## **REPORT**

The Health & Counseling in association with Women Development Cell of Chandrabhan Sharma College of Arts, Science & Commerce organized Seminar on Menstrual Hygiene and Awareness about Uterus Cancer on 1<sup>st</sup> August, 2022

The resource person for the seminar was Mrs. Anushka Ankush Asolkar. The programme started with a welcome note and introduction by Ms. Sharlet Bhaskar, Convenor Women Development Cell followed by Ms. Neha Mishra, Convenor Health and Counseling.

The seminar was very informative as Mrs. Anushka explained about how sanitary pads are made from plastic which are harmful to our body and can lead to many kinds of infections one of which is Uterus Cancer too. She also gave a good demo about the usage of pads which are purely made with cotton cloth and with a proper gel based property which not only has health benefits but also environmental benefits as they are biodegradable sanitary pads.

The session ended by a vote of thanks by our TYBCOM student Ms. Nimisha Kinjalkar.

**Outcome:** The poor knowledge and understanding of menstruation may lead to unsafe hygienic practice that in turn increases the risk of reproductive and genito-urinary tract infections, cervical cancer and overall poor quality of life. Despite such clinical and academic effects, the knowledge and hygienic practice of adolescent girls towards menstruation is not well addressed particularly among adolescent girls. Therefore, the main objective of conducting this session was to inculcate and share the knowledge and menstrual hygiene practices among the students of the college. A total of 93 girls from S.Y & T.Y.B.COM attended the session.
