REPORT

TOPIC: National Level Webinar on "Take your first step to go green in your educational practice"

The Mudra Club of Department of B. Com.(Banking & Insurance) and Nature Club had organized a webinar for all the students on 20th August, 2020 at 4 pm. The topic of the webinar was "Take your first step to go green in your educational practice"

Following were the resource persons:

1. Dr. Rajesh Shekhar Omprakash (Head of The Department, Environmental Studies, Sant Gadge Maharaj College of Commerce & Economics. 12th Lane, Khetwadi, Mumbai)
2. Prof. D. A. Kolhapure (Associate Professor & Head Department of Geography, KLE's G. H. Degree College, Haveri, Karnataka)

Around 280 students from all over the country had participated. The program was hosted by student Ms. Aditi Upaddhya. There was a question answer session also in which all the participants asked their questions which were answered by the speakers. At the end vote of thanks was delivered by student Ms. Nilofar.

Outcome: Students learnt different ways of green practices and also understood the importance of green practices, how it can save nature.

REPORT

The Nature Club of our college organized a seminar on World Cleanup Day on 16th September 2020, from 8:00 am to 9:00 am. The purpose of the seminar was to create awareness among students about the importance of environmental cleanliness. The event was attended by 50 students.

The seminar started with the welcome speech by the President of Nature Club, who highlighted the importance of World Cleanup Day and the need to keep the environment clean. The keynote speaker was Mr. Sandeep Vishwakarma. He gave a detailed presentation on the current state of the environment and the impact of pollution on human health. He also discussed the measures that individuals can take to reduce pollution and contribute to a cleaner environment.

Following the presentations, a question and answer session was conducted, where students asked about various aspects of the environment and the need for cleanliness.

Outcome: Student understood awareness about the need for environmental cleanliness. It also motivated students to take action and contribute to the cause of a cleaner environment.

REPORT

The International E-Waste Day is celebrated every year on October 14 to raise awareness about the growing problem of electronic waste around the world. The event is aimed at promoting the proper disposal and recycling of e-waste to protect the environment and human health. 45 students were present for the webinar.

The seminar began with a welcome address by the President of the Nature Club, who emphasized the importance of addressing the issue of e-waste and its impact on the environment. The seminar was attended by students, faculty members, and industry experts.

The speaker Mr. Vijay Rawool of the seminar was an expert, who spoke about the e-waste management system in the city. He informed the audience about the initiatives taken by the municipal corporation to collect and recycle e-waste, and how individuals could contribute to the cause.

Outcome: The seminar was an excellent opportunity for participants to learn about the importance of proper e-waste management and to get involved in the cause. The Nature Club hopes to continue organizing such seminars in the future to raise awareness and promote responsible e-waste management.

REPORT

EMAC Zone of Bachelor of Commerce Department and Nature Club organized a webinar on 3rd April, 2021 from 11.30 am to 12.30 pm on the topic 'Environmental Sustainability and Conservation'. The webinar was organized on Google Meet platform. Online registrations were done by students and a whatsapp group was also created.

The webinar began with a brief introduction of the guest by student, Ms. Manju Nadar. The webinar was conducted by Mr Manish Pawar - Founder and Principal Consultant of Centre for Quality Management – Research, Consulting, Training. The main motive of this webinar was to educate the students on biodiversity framework and its conservation, the various types of pollution, take positive environmental action to protect nature and the planet Earth. It also aimed to exchange good practices and to educate the students on how they can contribute to pollution reduction and environment conservation on an individual level.

Around 45 students participated in this webinar and were very motivated. The webinar was a great success as students were very enthusiastic and were looking forward to such sessions in future. At the end of the webinar, there was a question and answer session. The webinar ended with a pleasant vote of thanks given by student Ms. Kartika Nadar.
