REPORT

Nature Club organized a one day Trek to Garbett plateau on 29th August, 2019 from 7:30 am to 5:00 pm'. The Trek was also organized by the Chandrabhan Sharma College. Online registrations were done by students and a whatsapp group was also created.

The Trek began by meeting at the start point i.e from Chandrabhan Sharma College towards CSMT Railway Station. The trek was conducted by Prof. Dipti Parab – Convener of Nature Club. The main motive of this trek was to educate the students on Nature's Beauty and its importance in the world, the various types of Creatures, take positive environmental action to make aware nature's naturally created hills, routes, structures etc. It also aimed to exchange good practices and to educate the students on how they can contribute to pollution reduction and environment conservation on an individual level.

32 students participated in this trek and were very motivated. It was a great success as students were very enthusiastic and were looking forward to such treks & other activities in future.

Outcome: Students get to know the importance of green environment.

Notice

We are pleased to announce that the Nature Club is organizing a seminar on the occasion of Plantation Day. The seminar aims to promote awareness about the importance of trees and the need for their conservation.

The event will be held on 09th August 2019, from 8 am to 9 am in the college. It will feature a series of talks by Ms. Pratibha Jadhav in the field of environmental conservation and tree plantation. The topics of the talks will range from the ecological significance of trees to practical tips on how to plant and care for them.

We encourage all students to attend this seminar and learn about the vital role that trees play in our ecosystem. By attending this event, you can contribute to the cause of environmental conservation and make a difference in our community.

We hope to see you all at the seminar on Plantation Day!

Date – 09th August, 2019

Time – 8 am to 9 am

Venue – 7th floor, classroom 703

Date: 09th Aug, 2019

REPORT

The Plantation Day was celebrated at our college on 09th August, 2019. The event was organized by the Nature Club of the college to create awareness about the importance of trees and to promote the practice of afforestation.

The event began at 8 am to 9am with a brief introduction by the Nature Club president. The Resource person of the event was Ms. Pratibha Jadhav. 40 students participated in the event.

The saplings were provided by the Nature Club, and they were of different varieties like mango, neem, and peepal. The members of the Nature Club explained the importance of each variety of sapling and how it would benefit the environment.

Outcome : The event was able to create awareness about the importance of trees and the need for afforestation

Notice

This is to inform all the students that The Nature Club of Chandrabhan Sharma College is organizing a seminar on Solar Application Day on 13th March 2020. The seminar aims to create awareness about the importance of solar energy and its various applications. The seminar is open to all students and faculty members.

The seminar will feature a speech by an expert in the field of solar energy. Ms. Neha Mishra will talk about the various applications of solar energy, such as solar power plants, rooftop solar systems, and solar water heaters.

Date – 13th March 2020

Time – 09 am onwards

Venue – Chandrabhan Sharma College Room no. 703

REPORT

The Nature Club of Chandrabhan Sharma College organized a seminar on Solar Application Day to create awareness about the importance of solar energy and its various applications. The seminar was attended by 35 students.

The seminar began with an introduction by the President of the Nature Club, who highlighted the significance of solar energy in reducing carbon emissions and promoting sustainable development. This was followed by a keynote speech by Ms. Neha Mishra, an expert in the field of solar energy. She spoke about the various applications of solar energy, such as solar power plants, rooftop solar systems, and solar water heaters.

Outcome: The seminar provided a great opportunity for students to learn about the importance of solar energy and its various applications. The Nature Club intends to organize similar seminars and workshops in the future to promote sustainability and environmental consciousness among students.
