REPORT

Nature Club organized Trekking Activity on 25th August, 2018 from '7:00 am to 5:00 pm'. Online registrations were done by students and a whatsapp group was also created.

The Activity began by meeting at the start point i.e from Chandrabhan Sharma college towards CSMT Railway Station. The Activity was conducted by Prof. Dipti Parab – Convener of Nature Club. The main motive of this Activity was to educate the students on Nature's Beauty and its importance in the world, the various types of Creatures, take positive environmental action to make aware of how clean nature is important etc. It also aimed to exchange good practices and to educate the students on how they can contribute to pollution reduction and environment conservation on an individual level.

40 students participated in this Activity and were very motivated. The event was a great success as students were very enthusiastic and were looking forward to such Activities & other Events in future.

Outcome: Students get to know the importance of green environment.

REPORT

Nature Club organized a seminar on the occasion of The Environment Health Day. It was held on 26th September 2018 in the College. The seminar aimed to increase awareness about environmental health issues and their impact on human well-being. 32 students were present for the seminar.

The seminar began with a welcome address from a member of Nature Club, who introduced the topic and highlighted the importance of taking action to address environmental health issues. This was followed by several presentations from experts in the field of environmental health.

The presentation was given by an environmental health expert Mr. Avadesh Yadav, who spoke about the link between air pollution and health. He discussed the sources of air pollution, the health effects of exposure to pollutants, and the measures that individuals can take to reduce their exposure.

Outcome : Student understood about environmental health issues due to pollution and measures to reduce exposure to it.

Notice

We are pleased to inform you that Nature Club is organizing a seminar on World Planting Day, which will be held on March 21, 2019. This day is celebrated globally to promote the importance of planting and maintaining trees for a sustainable environment.

The seminar will be held from 08:00 AM to 09:00 AM. It will feature guest speakers Ms. Seema Negi who are experts in the field of environmental science and conservation. She will share her insights and knowledge on the importance of trees, the benefits of planting, and how we can contribute to the cause.

We encourage all the students to attend this seminar and learn about the significance of World Planting Day. It will be an excellent opportunity to gain knowledge, ask questions, and interact with experts in the field.

Date – 21 March, 2019

Time – 8 am to 10 am

Venue – 7th floor, classroom 704

Date: 21th March, 2019

REPORT

Nature Club organized a seminar on the occasion of World Planting Day on 21st March 2019. The seminar was organized to create awareness among the students about the importance of planting trees and their role in maintaining a sustainable environment.

The seminar was attended by 45 students from various departments and guest speakers who shared their valuable insights on the topic. The event started with a welcome speech by the club's president, who introduced the theme of the seminar and its objectives.

The guest speaker Ms. Seema Negi was an environmentalist who highlighted the crucial role of trees in mitigating the effects of climate change. She emphasized that trees absorb carbon dioxide, a greenhouse gas responsible for global warming, and release oxygen, which is vital for the survival of all living beings. She also spoke about the importance of conserving forests and preventing deforestation, as it leads to soil erosion, loss of biodiversity, and climate change.

The seminar ended with a question and answer session, where the students raised their queries and concerns regarding planting trees. The speaker provided her valuable inputs and suggestions.

Conclusion :Students understood the importance of planting trees and their role in maintaining a sustainable environment.
