## Report of Feedback Analysis 2021-22

The following are the members of the Feedback Committee 2021-22

1. Asst Prof Sandeep Vishwakarma Convener
2. Dr Anita Pandey Member

This report presents an analysis of the feedback collected from employers, faculties, alumni, and students regarding the curriculum design and various aspects of the educational institution. The feedback was obtained through online surveys, and the results provide valuable insights into the effectiveness of the curriculum and the overall experience of the stakeholders.

- 80% of employers agreed that curriculum design could contribute to the goal of the organization.
- 82.86% of employers acknowledge the given curriculum helps the students to understand and build a better relationship with seniors/peers//subordinates.
- 28.57% of employers approve that the curriculum failed to inculcate student creativity.
- 12% of faculties support the need for continued emphasis on curriculum design that strikes a good balance between theory and practical subjects to optimize student learning experiences.
- 100% of teachers acknowledge the course content is well followed by corresponding reference books/materials. It also supports increased knowledge and perspective in the subject area along with the books prescribed/listed as reference material that is relevant, updated and appropriate.
- 18.79% of alumni approved that Syllabus studied them was not relevant to their professional life.
- 89.82% of alumni agreed on the availability of reading materials in the library.
