Report

The language lab sessions at Chandrabhan Sharma College are designed to help students to improve their language skills in an interactive and multimedia environment. The sessions were conducted in the months of November and December 2021 which was attended by a total of 60 students of various streams from B.Sc. IT, BAF, BBI, BFM, B.COM, BAMMC.

Features: The language lab sessions are conducted as per a scheduled time table in a dedicated Lab equipped with modern computers, headsets, microphones, and multimedia software. The sessions are designed to cater with 7 different modules which consist different levels of proficiency, and the software provides a wide range of exercises, activities, and tests to improve listening, speaking, reading, and writing skills. The sessions are led by experienced tutors who guided the students through the learning process, provide personalized feedback, and monitored their progress. The scheduled time table for the sessions was posted on the college notice board as well as posted on the whatsapp group to inform students about the dates and timings of the sessions.

Outcome: - In conclusion, the language lab sessions have been a valuable asset for the students. The interactive and multimedia environment, the personalized feedback from the tutors, and the immediate feedback provided by the software has helped the students improve their language skills effectively. The scheduled time table has ensured that the students attend the sessions regularly and complete the course within the designated time frame.

REPORT ON FIELD VISIT TO “AAKASHWANI (AIR)”

Radio exercises a great educative influence upon the individuals ceaselessly throughout their lives. It has proved to be one of the most efficacious means for socializing and knowledge diffusion in the modern world. Keeping this in mind, the Department of Mass Media of Chandrabhan Sharma College organized a one-day visit to Aakaswani (AIR) Churchgate, Mumbai-400020 dated 30th April 2022 for F.Y.B.A.MMC students. The main motto of this visit was that the students should gain practical experience through the visit. The visit time was from 11.00 am till 4.00 pm. The Assistant Engineer of All India Radio Mr. Prakash Gogate accompanied the students. Students were first oriented regarding the several stations that function under Akashwani Bhawan. The students explored studios and recording rooms and facilities of All India Radio while being educated about all technicalities of Radio Recordings, live shows, News work, how to record songs and talk shows etc. Students were told about the tips and techniques of audio recording. There was a question and answer session where he also cleared all the doubts of students. This visit was also accompanied along with class in-charge Prof. Avadhesh Yadav. 26 students participated in this visit.

Outcome: The visit was organized with the objective to let the students understand the organizational structure of Akashvani and to make students aware about territorial transmission, production and broadcasting of the radio programs as well as to understand the structure of the studio and management of radio station.

REPORT ON FIELD VISIT TO “PARLE MANUFACTURING PLANT

On March 14, 2019, the BMS department of Chandrabhan Sharma College organized an educational visit to the Parle Manufacturing Plant. Students arrived at the Parle manufacturing plant and were first assembled and taken to the audio-visual room. here they were shown an informative video that told them about the history of Parle and how it has emerged as one of India's topmost snacks and confectioneries manufacturing company. The video was presented in an engaging and fun way, with a story that kept the students engrossed. After the video, students got to see the actual manufacturing plant floor where Parle-G biscuits were being made. In the manufacturing floor, there was a fragrance of vanilla flavoring. The dough was being kneaded by big kneaders, the biscuits being moulded into shape, and then being rolled through the baking oven. The oven was over 50 feet long, and at the end, the biscuits were cooled by going through a long conveyor belt after which they were packaged and filled into boxes by automated machines and workers respectively. After visiting the Parle manufacturing plant, students halted at Green Valley Resort where they had a delicious meal and took a small break for a photo session. With this, 93 students left for home with the lovely memories of the Field Visit. It was an enriching experience and students gained practical knowledge and exposure with this visit.

Outcome: The visit aimed to provide students with practical knowledge of the manufacturing process and supply chain management of one of India's leading biscuit brands.

REPORT ON FIELD VISIT TO “COSMOS BANK AND PNB BANK” BY DEPARTMENT OF BACHELOR OF COMMERCE

EMAC Zone of Bachelor of Commerce along with B. Com (Banking & Insurance) and B. Com (Financial Markets) has organized an "Experiential Learning - One Day Visit to COSMOS Bank & Punjab National Bank Bank" on 8th April, 2022 at 12.30 pm. It was a part of experiential learning for the students.

The bank manager of COSMOS as well as Punjab National Bank addressed the students and briefed them about banking process, transactions, facilities provided by banks, gave them information about how to open a bank account etc. The students were very keen to know more about banking so after the brief lecture, there was a question-and-answer session.

Outcome: The main objective of this experiential learning was to create awareness and educate students on access to financial services (banking), availability of various types of services and their features and to make students understand their rights and responsibilities as customers of financial services. The students got valuable insight on banking and were excited and gained valuable knowledge through this session. Around 38 students participated in this visit.

REPORT ON 7 DAYS INDUSTRIAL VISIT TO AMRITSAR, PUNJAB AND SHIMLA

Chandrabhan Sharma College organised an Industrial visit for the duration of 5 nights and 6 days to Jodhpur - Jaisalmer Sand Dunes starting from 11th February to 16th February, 2020. The trip was open to all the First, Second and Third Year students across all streams. A group of 142 students along with 6 faculties Mr. Sandeep Vishwakarma, Ms. Arpita Atibudhi, Mr. Umesh Kabadi, Ms. Manali Naik, Mr. Arun Vishwakarma and Mr. Arvind Singh accompanied the students on this trip. On 14th February 2020, the students visited the Saras Milk Plant located in Jaisalmer, Jodhpur. The visit was organised as a part of the industrial visit program aimed at providing exposure to real-world industrial operations.

Overview of the Saras Milk Plant: The Saras Milk Plant in Jaisalmer is a cooperative dairy plant run by the Rajasthan State Cooperative Dairy Federation Limited (RCDF). The plant collects milk from over 500 milk producers and processes it into a variety of products, including pasteurised milk, ghee, butter, cheese, and ice cream. The visit started with an introductory session where the students were briefed on the history of the Saras Milk Plant and the operations of the plant. The students also visited the product manufacturing area, where they saw the different products being manufactured, such as ghee, butter, and ice cream. They observed the different stages of production, from mixing and blending to packaging, and learned about the different quality control measures in place to ensure that the products met the strict quality standards of the Saras Milk Plant. The visit concluded with local sightseeing to various places such as Mehrangarh Fort, Ummaid Bhavan Palace, Mandoer Garden etc. The visit was a success and provided the students with a memorable experience.

Outcome: The visit to the Saras Milk Plant was a valuable learning experience for the students, who gained practical knowledge and provided learning experience about the operations of a modern dairy processing plant. Students also got an opportunity to learn about the system of milk processing and distribution.

REPORT ON 7 DAYS INDUSTRIAL VISIT TO AMRITSAR, PUNJAB AND SHIMLA

2018 - 19 FROM 3RD TO 9TH FEBRUARY, 2019

Chandrabhan Sharma College organised an Industrial visit for the duration of 6 nights and 7 days to Delhi, Nainital and Jim Corbett starting from 3rd February to 9th February, 2019. The trip was open to all the First, Second and Third Year students across all streams. A group of 112 students along with I/C Principal Dr. Pratima Singh, faculties Mr. Sandeep Vishwakarma and Mr. Sushant Vichare accompanied the students on this trip.

Students were first taken to Bisleri Company in the outskirts of Delhi and Shahi Exports Pvt. Ltd where they got an opportunity to see and acknowledge how the industry operates from various perspectives of management, technology and marketing. To acquire the knowledge about the functioning of industry with the representatives, batches were formed of 25 students. The staff members provided an in-depth detail of the industry making students cognizant about the same. The itinerary of the trip also included some important historical and religious places where the students were taken to learn their importance. Students were taken for sightseeing like India Gate - A war memorial architectural style of the triumphal Colosseum in Rome, Red Fort - architecture mirrors the idioms on Indo Islamic Art. After this, students were taken to Nainital for sightseeing and they enjoyed boating in Naini Lake, Waterfall, Nainital Lake view darshan, Mansa Devi Temple and in the evening they shopped for sometime in Mall Road. The last point was Jim Corbett where students were taken for Jungle Safari to experience nature and sanctuaries.

22nd February, 2018

REPORT ON 8 DAYS INDUSTRIAL VISIT TO AMRITSAR, PUNJAB AND SHIMLA

2017 - 18 FROM 12TH TO 19TH FEBRUARY, 2018

As a part of the curriculum, Chandrabhan Sharma College had organized a 7 nights and 8 days Industrial Visit to Amritsar, Punjab and Shimla - Himachal Pradesh from 12th February to 19th February, 2018. The trip was open to all the First, Second and Third Year students across all streams of CSC. A group of 148 students along with faculties Mr. Tushar Agarwal, Mr. Sandeep Vishwakarma and Mr. Sushant Vichare had the opportunity to visit the Verka Cooperative Milk Plant located in Amritsar. The visit was organised as a part of the industrial visit program aimed at providing students with practical knowledge and exposure to real-world industrial operations.

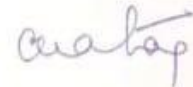

Overview of the Verka Cooperative Milk Plant: The Verka Cooperative Milk Plant in Amritsar is a cooperative dairy plant. The plant collects milk from over 500 milk producers and processes it into a variety of products, including pasteurised milk, ghee, butter, cheese, and ice cream. The visit started with an introductory session where the students were briefed on the history of the Verka Coop Milk Plant and the operations of the plant. They were also shown a video on the milk processing and product manufacturing process. The tour of the plant began with the milk collection area, where the students observed the automated milk collection systems in action. Students understood how the industry operates from various perspectives of management, technology and marketing. The itinerary of the trip also included some historical places like the Jallianwala Bagh and other religious places which the students enjoyed and came back with a memorable experience.

Outcome: The visit was a valuable learning experience for the students, who gained practical knowledge about the operations of a modern dairy processing plant. They were impressed by the scale of the plant, the advanced technologies used, and the emphasis on hygiene and quality control.

Mr. Sandeep Vishwakarma

Convener, Industrial Visit

Guest lecture by Industry Expert

Date: 29th July, 2021

Webinar on "GUIDANCE FOR RBI GRADE B NATIONAL LEVEL COMPETITION EXAMINATION".

Report

The webinar was organized by the department of Banking and insurance and IQAC of Chandrabhan Sharma college of Arts, Science and Commerce in association with P.U educational service. The theme of the webinar was "GUIDANCE FOR RBI GRADE B NATIONAL LEVEL COMPETITION EXAMINATION". The webinar was held on 29th of July 2021 at online platform on zoom from 11:00am to 12:00pm.

The objective of the webinar was to encourage students and to gain knowledge about how to prepare for competitive exams and also to get ready in future for great opportunities. Even during pandemic situations, the webinar was very helpful for the students. The webinar was attended by all BBI students. It was also explained how to work as team members and how to manage the time. It was very interacting session. All the participants cleared their doubts by asking questions to the speaker.

Webinar was concluded by vote of thanks.
