Vaccination drive was inaugurated at 10:00 am by the college Managing Trustee Shri Prashant G Sharma and Principal Dr. Pratima Singh. The venue for the vaccination drive was on the ground floor of the college. Total 270 students were given the Covaxin vaccine as first and second dose as per their vaccination schedule along with the proper measures. Later on they were asked to follow the suggestions as per the Doctor's advice. Students from different schools and colleges were involved in this drive. Awareness was created among all on the rapid spread of the virus and what safety measures to be taken.

As per the government notice that the Covid-19 vaccination among the teenagers is the need of the hour, the vaccination drive was conducted by the Jaslok Hospital under the guidance of Dr. Sachin Iyer and his team till 5:00pm in the evening.

OUTCOME: The outcomes of a vaccination drive extend beyond its immediate duration. Increased vaccination coverage and community protection contribute to long-term benefits such as a reduction in COVID-19-related restrictions, economic recovery, and a return to normalcy.
