Report: Brighways - webinar on various skills kranti/ campus to corporate
2nd May, 2020

Placements and career guidance cell of Chandrabhan Sharma College along with Brightways (leads the future) organized brilliant insights on hiring trends and practices and what skills are going to be essential as we navigate this emerging normal.

Our workshops nurture skills to see beneath the surface and move to the core of what students need to thrive, while helping raise professional satisfaction and resiliency for teachers and other school staff. For youth to succeed in school and life, they need a network of caring, connected adults who can guide and help them thrive amid life's challenges.

Brightways Learning has been ensuring personalized learning success for more than a decade.

We work together with students, parents, and schools to provide a comprehensive education that meets each child's unique learning needs.

Report: Summit (Lead the future)

7th October, 2020

Placements and career guidance cell of Chandrabhan Sharma College along with Summit (leads the future) organized brilliant insights on hiring trends and practices and what skills are going to be essential as we navigate this emerging normal.

With these ever-changing times, the strategies to hire new talent may also be undergoing changes. Speakers encouraged to take advantage of this summit as we have curated it very sincerely and called some of the leading lights from the industry to give a real on-the-ground picture of what the new trends and latest requirements are. Guidelines on how to get an edge over the competition and improve your chances of getting hired during placements and otherwise.

Speakers include recruitment specialists, corporate human resources, talent acquisition leaders across various industries (including manufacturing, tech, consulting, pharma, BFSI, real estate, retail, and more.), universities- placement heads, online job portals, and more.
