## GREEN & PLASTIC FREE CAMPUS POLICY

### POLICY FOR GREEN CAMPUS INITIATIVES:

- ▶ A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

### COLLEGE ENVIRONMENTAL AIMS AND OBJECTIVES:

- ▶ The college is striving to develop its institution on a self – sustainable basis in the areas of power, water and cleanliness.
- ▶ The faculty, staff and students have to contribute collectively to develop an eco – friendly sustainable campus and disseminate the concept of eco – friendly culture to the nearby community and wherever possible.
- ▶ Awareness creations about environmental issues among students and employees including climate change.
- ▶ Measure and reduce environmental emissions/ footprints
- ▶ To protect and conserve ecological systems and resources within the campus.
- ▶ To raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- ▶ To make the campus plastic free.

## ■ **ROLE OF THE GREEN CAMPUS INITIATIVES COMMITTEE:**

- ▶ The thrust for a successful Green Campus must begin at the top and emanate throughout the rest of the campus. Without a strong message of commitment and involvement from both the Chairperson and Members of the Committee, well-intentioned initiatives may be too fragmented to allow for Institute-wide participation.
- ▶ Thus in view of this, the committee will plan and execute to:
  1. Conduct the Campus' environmental impacts to identify the targets for improvements.
  2. Establish a Green Campus Environmental Ethic Awareness campaigns.
  3. Organize Awareness Programs for the students, faculty and society.
  4. Conduct an Annual Green, Environment and Energy Audit.

## ■ **MAJOR GREEN CAMPUS INITIATIVES:**

- ▶ Waste water Management/ Rainwater harvesting
- ▶ Paperless administration
- ▶ Plastic free Campus
- ▶ Tree Plantation Drive
- ▶ Cleanliness Drive
- ▶ Landscaping and garden maintenance
- ▶ Digital Library/ E-Learning Centre
- ▶ Sensitizing the stakeholders
- ▶ Establishing of Enviro-Club
- ▶ Conducting Green, Environment and Energy Audit

## ■ **PLASTIC FREE CAMPUS:**

- ▶ Plastic pollution is ubiquitous in terrestrial and aquatic ecosystems. Plastic waste exposed to the environment creates problems and is of significant concern for all life forms. Plastic production and accumulation in the natural environment are occurring at an unprecedented rate due to indiscriminate use, inadequate recycling, and deposits in landfills. We have all contributed to this problem, knowingly and unknowingly and we must work to reduce and eliminate plastic pollution.
- ▶ Government has decided to take plastic ban as a national level campaign to address the environmental hazards being caused by the indiscriminate use of plastic, Educational institutions must lead this nation-wide endeavor. There is a need for educational institutions to actively contribute to the effort of banning the use of single use plastics. So it is becoming a key responsibility of every citizen of our country not just to "Say No to Plastics" but also to create awareness among the community as whole to stop this pollution and leave behind a green and pollution free place for our future generations.

**Chandrabhan Sharma College has its own policy/practices as per the MHRD guidelines to achieve plastic free campus.**

- ▶ To carry out awareness drives and sensitizing workshops on the harmful impacts of single use plastics.
- ▶ To incentivize students to be to carry out similar campaigns at community level.
- ▶ To provide water units to avoid the purchase and use of plastic water bottles.
- ▶ To inform about alternative solutions like cloth bags etc., to plastic bottles and other goods on campuses.
- ▶ To conduct events on designing ecological and environment friendly goods to minimize the use of single use plastic.

## WASTE MANAGEMENT POLICY

### POLICY STATEMENT:

- ▶ Chandrabhan Sharma College adopts the principles of the 'best available feasible environmental option' in the deliverance of its waste management services. The College requires all the teaching and non-teaching staff, students, guests and residence to act in accordance with this Policy. Any solid waste generated in the campus shall be managed and handled in accordance with the compliance criteria and the procedure laid down in Municipal Solid Wastes (Management and Handling) Rules and shall also comply with the various regulations under national and international environmental protection legislation.

### OBJECTIVES:

- ▶ Ensure that waste management in campus is in accordance with all waste legislative requirements.
- ▶ Minimize waste generation and facilitate repair, reuse and recycling of wastes in a cost effective manner.
- ▶ Provide clearly defined roles and responsibilities to identify and co-ordinate activity of the waste management.
- ▶ Promote environmental consciousness in order encourage waste minimization, reuse and recycling.
- ▶ Invest into the expansion of recycling opportunities in the college campus.
- ▶ Ensure safe handling and storage of wastes in campus.
- ▶ Provide appropriate training for teacher, resident, staff and students on waste management issues.

### FUNCTIONS OF THE WMC:

To address the types of wastes in the college such as

- ▶ E-waste
- ▶ Solid waste - vegetable waste, Canteen kitchen waste,
- ▶ E-waste - discarded electronic devices such as computer, TV, music systems etc.
- ▶ Liquid waste - water used for different
- ▶ Plastic waste - plastic bags, bottles, bucket, etc.
- ▶ Metal waste - unused metal sheet, metal scraps etc.

**To address the types of waste category wise**

**Wet waste (Biodegradable) :**

- ▶ Canteen kitchen waste including food waste of all kinds, cooked and uncooked, including eggshells and bones
- ▶ Flower and fruit waste from college gardens and indoor plants, green/dry leaves
- ▶ Sanitary wastes

**Dry waste (Non-Biodegradable) :**

- ▶ Paper and plastic, all kinds
- ▶ Cardboard and cartons
- ▶ Containers of all kinds excluding those containing hazardous material Packaging of all kinds
- ▶ Glass of all kinds
- ▶ Metals of all kinds
- ▶ Rags, rubber
- ▶ Waste generated from sweeping (dust etc.)
- ▶ Ashes
- ▶ Foils, wrappings, pouches, sachets and tetra packs (rinsed)
- ▶ Discarded electronic items like cassettes, computer diskettes, printer cartridges and electronic parts.
- ▶ Discarded equipment

**E- WASTE MANAGEMENT:**

- ▶ The college has signed MOU / Agreement ON 1st January, 2021, with ECO FRIEND INDUSTRIES for E-Waste Collection. Till date total 202 Kg E-waste is been collected and handed over to ECO FRIEND INDUSTRIES  
The college has Centralized IT Department, it is responsible to manage IT resources, Centralized data processing, Servers, Personal Computer (Central processing unit with input and output devices), Laptop computers (Central processing unit with input and output devices), Notebook computers, Notepad computers, Printers including cartridges, Copying equipment, User terminals and systems, Bio- Metrics Machines, telephones, UPS, Cordless telephones etc.

## **DIVYANGJAN POLICY** (FOR PERSONS WITH DISABILITIES)

“ When we do the best we can, we never know what miracle is wrought in our life or the life of another.” – Helen Keller

**CHANDRABHAN SHARMA COLLEGE OF ARTS, COMMERCE & SCIENCE STRICTLY ABIDES BY THE RIGHTS OF PERSONS WITH DISABILITIES ACT, 2016 THAT PROHIBITS DISCRIMINATION AGAINST INDIVIDUALS WITH PHYSICAL AND MENTAL DISABILITIES.**

### **DISABILITY(Divyangjan):**

▶ Disability is a term that includes motor and sensory limitations (e.g., mobility, vision, or hearing impairments). It also includes disabilities resulting from chronic illnesses and syndrome, invisible disabilities, such as psychological and emotional disorders, learning disabilities, heart disease, diabetes, asthma, arthritis, epilepsy, Acquired Brain Injuries (ABI), and Acquired Immune Deficiency Syndrome (AIDS) are also included in the term disability. Many disabilities vary in degree and type of limitation; therefore, accommodations must also vary and should be tailored to the needs of the individual.

### **QUALIFIED PERSON WITH DISABILITY:**

▶ The expression "**Qualified individual with a disability**" alludes to a person with a disability who is qualified to participate in any given institute program or activity. With regard to enrolment, a certified individual with a disability must fulfill the scholastic guidelines required for affirmation and meet the scholarly necessities set up for any given course, degree, or certificate program. With respect to employment, training, work assignments, and promotion, a qualified individual with a disability must be able to perform the minimum essential functions of the job. However relaxation shall be allowed as per the Government rules

### **CONSTITUTIONAL GUIDELINES:**

▶ The Constitution of India ensures equality, freedom, justice and dignity of all individuals and implicitly mandates an inclusive society for all including persons with disabilities. In the recent years, there have been vast and positive changes in the perception of the society towards persons with disabilities. It has been realized that a majority of persons with disabilities can lead a better quality of life if they have equal opportunities and effective access to rehabilitation measures.

## THE COLLEGE POLICY:

- ▶ The earlier emphasis on medical rehabilitation has now been replaced by an emphasis on social rehabilitation for the disabled. There has been an increasing recognition of abilities of persons with disabilities and emphasis on mainstreaming them in the society based on their capabilities. The college particularly plays a very important role in this aspect. Although the percentage of disabled persons is very less the college makes adequate arrangements and offers facilities to the students who are disabled in any way. The college is against all kinds of discrimination on any grounds including disability. It follows the legislation by the constitution of India in which persons with disability must be given equal opportunities, have protection rights and be allowed full participation any activity. The college is committed to provide education, employment and create a barrier free environment for all. All the faculty & staff members of the institute shall strive to extend a helping hand towards the differently abled so as to make sure that they benefit from the courses, administrations and activities. Disability sensitization sessions to be a part of the students and Employee induction programme.

## OBJECTIVES OF THE POLICY:

- ▶ To provide accessible and inclusive education at the college.
- ▶ To create a culture that is inclusive, non-discriminatory, non-exploitative for all in all spheres of work and education.
- ▶ To create suitable and robust regulatory mechanism for effective delivery of services for disabled students and Staff of the college.
- ▶ To ensure implementation of all legislations with respect to persons with disabilities.
- ▶ To ensure full participation of persons with disabilities in all activities of the college and to provide them the equal opportunities for development
- ▶ Facilities are provided time to time as per government rules.
- ▶ To ensure the awareness programmes for all the teachers and non teaching staff regarding the issues of accessibility.

## THE COLLEGE SHALL PROVIDE THE FOLLOWING SUPPORT FOR THE DISABLED STUDENTS:

### ▶ Admission:

- A person who has been certified by a recognised agency for his/her disability is given admission through a reservation policy. Admission policy of the Institute offers 5% reservation for persons with disabilities in all the courses offered by Institute. The institute will ensure the representation of all the types of disabilities listed in Rights of Persons with Disabilities 2016 (Section 16 PWD Act 2016) and as per government regulations from time to time.

### ▶ The Placement cell:

- shall provide support to the students with disability and assist them in getting appropriate employment after their studies. A counselor-cum- placement officer shall be appointed for further guidance.

- ▶ Students interested in **Sports** will be given special coaching.

### ► **Examination Policy:**

- Sensible convenience will be made to meet the necessities of the considerable number of Students with disabilities. The guidelines and regulations have been issued by the examination department for use scribe in exams. The visually impaired students will be provided with scribes to write their exams.
- The college shall provide **Counseling** for the students with disabilities on the types of courses they can study at the **higher education**.
- Assess the **Educational needs** of persons with disabilities enrolled in the higher education.
- Conduct **Awareness programs for teachers** about the approaches to teaching, evaluation procedures, etc, which they should adapt in the case of students with disability.
- Provide support to the students with disability and assist them in getting **appropriate Employment** after their studies.
- Conduct regular **Remedial Coaching Classes** for persons with disabilities.

### ► **Accessibility:**

- Providing access means making all the institutional services, activities and the benefits thereof, fully available to qualified people with disabilities. The college shall provide various provisions in creating a disabled friendly campus. The campus should be barrier free and accessible for persons differently-abled.

### ► **Library facilities:**

- To provide accessible textbooks and study material to all students with disabilities.
- To ensure that web services are compliant to National and International accessibility standards and regulations such as Web content Accessibility Guidelines WCAG with appropriate version and Government of India Guidelines for Web accessibility.
- Audio Books
- Web accessibility
- Ramps are made to ensure free movement of the students, employees and visitors.
- Special Toilet is available in an easy access area for students, employees and visitors
- Wheel chairs are provided for disabled students in the campus.

## WATER CONSERVATION AND MANAGEMENT POLICY

### ■ PREAMBLE:

- Water scarcity is one growing concerns of the present times, the ultimate solution for which is water conservation. Issues related to water governance have not been addressed adequately. Mismanagement of water resources has led to a critical situation in many parts of the country. In this context our institute is committed to rain water harvesting and sustainable water management. We have taken several initiatives to conserve water such as rain water harvesting from rooftop run-offs, creation of pond/trenches and bore well recharge system, maintenance of water distribution system etc. Therefore, institute make a policy for water conservation and sustainable maintenance of resources.

### ■ VISION:

- Proper water conservation measures to increase recharge of groundwater. The College views water from the three inter-related dimensions of Efficient Conservation, Responsible Consumption and Restoring and Retaining surface and groundwater.

### ■ OBJECTIVES:

- To increase recharge of groundwater by capturing and storing rainwater, by rain water harvesting from rooftop and run-offs.
- To store the water for gardening & washing purpose.
- To ensure continuous water supply to all sections and departments in college campus.
- To recharge bore well system in monsoon season.
- To reduce wastage of water
- Cleanliness drive to prevent water runoffs and clogging of waste material into nearby water sources.

## **FACILITIES:**

- ▶ Rain water harvesting from rooftop run-offs.
- ▶ Well-developed bore well recharge system
- ▶ Low pressure & sensor-based water tabs in some areas of campus
- ▶ Water distribution system in the Campus

## **INITIATIVES:**

- ▶ Storing Municipal supply water in underground water storage tank to reduce the supply of water in whole campus area.
- ▶ Ensuring the improvement of drinking water quality by installation of water purifiers in many places in the campus.
- ▶ Establishing rain water harvesting system in the campus area to recharge ground water.
- ▶ College campus is blessed with overhead tanks for storage and uniform distribution of water in the campus area
- ▶ The college fix leakages immediately and perform periodic maintenance required to prevent water loss.

## **WATER HARVESTING/CONSERVATION AWARENESS DRIVE:**

- ▶ To create awareness of water conservation and water harvesting among students, several competitions have been organized.
- ▶ Organizing special lectures on water management to draw the attention of the students towards the alarming consequences of uneconomical use of water and water pollution

Tel.: 022-25704526 / 25704530 Email: info@csccollege.co.in Web: www.csccollege.co.in

## **Report on Facilities**

### **1. Alternate Source of Energy and Energy Conservation measures**

- a. Chandrabhan Sharma College has taken effective steps on harnessing solar energy in accordance with Ministry of New and Renewable energy (MNRE), Govt of India to promote the aim to develop and deploy new and Renewable energy for supplementing the energy of the country, by implementing solar PV power plant on college rooftop.
- b. College has taken initiatives to replace the traditional lightning systems into LED lamps and displays to minimize the power consumption inside the campus.
- c. Sensor Based lights are used in the washroom to add to the pre-existing multiple energy conservation methods. Sensor based lights saves energy by automatically putting off the lights when not in use. This not only saves energy but it also acts as a security light to keep the campus safe.
- c. Save energy: Awareness Signboard on Class rooms: To create the energy conservation among the students sign boards are installed in class rooms

### **2. Management of the various types of Degradable and Non – degradable waste**

One of the institution's principles is to keep the campus in pristine condition in order to provide a conducive environment for academic and non-academic interests. All stakeholders follow good hygienic practices as well as a comprehensive waste management plan.

- a. The college has different dustbins for different types of waste, such as biodegradable, recyclable and non-degradable. Green, blue and red bins have been provided across the campus for the collection of solid waste generated at different sources in the college.
- b. Plastic usage is prohibited on campus so as to create a plastic-free zone.
- c. All E-Wastes such as computer, its accessories and all electronic wastes are collected and discarded through the authorized vendor to ensure no hazard to the environment.
- d. Separate bins are kept in the girl's washroom for disposing the sanitary napkins.

  
**VC PRINCIPAL**  
Chandrabhan Sharma College  
of Arts, Commerce & Science  
Powai-Vihar, Powai, Mumbai - 400 076.  
Tel. 022-45266020

- e. Composting is being done with the segregated bio degradable wastes. The manure generated is in turn used in gardening inside the campus.
- f. Wastewater lines from the toilets are connected with municipal drainage mains. The drainage lines are further connected with the sewage treatment plant of the municipal corporation.
- g. Composting is being done with segregated bio-degradable wastes. The manure generated is used in gardening inside the campus. This is a practice of natural recycling.

### **3. Water Conservation**

- a. The rain water that collected on the terrace makes the way down through a pipe at college campus which is collected to a collection tank. Separate pipeline connection is given from the terrace for collecting the Rainwater.
- b. Maintenance of water bodies and distribution system throughout the campus
- c. Drinking Water connection is given from the Tank that is been kept on the Ground floor

### **4. Green Campus Initiative:**

A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.

  
**VC PRINCIPAL**  
Chandrabhan Sharma College  
of Arts, Commerce & Science  
Powai-Vihar, Powai, Mumbai - 400 076.  
Tel. 022-45266020

**Major Green campus Initiatives in Chandrabhan Sharma College campus:**

- a. Rain water Harvesting
- b. Recycling bin for e-waste
- c. Use of LED
- d. Digital Library/ e-learning centre
- e. Restricted entry of vehicles
- f. Restricted Parking
- g. Usage of bicycles and public transport
- h. Pedestrian friendly Road
- i. Use of Bicycle
- j. Plastic free campus
- k. Plantation of plant

**5. Disable Friendly, barrier free environment:**

The college has developed an appropriate system under which the divyangjan are provided suitable environment in which they can pursue their academic goal without hassles. Following are the facilities provided for divyangjan students:

- a. College has built ramps for divyangjan students.
- b. Railings on staircase at college.
- c. Institution has provision of wheel chair for students having physical disabilities.
- d. The lifts are operated by liftmen with barrel signage in each lift.
- e. The institution has medical professional and helpers

### Notice for Energy Conservation

Dear Staff & Students,

As part of our commitment to sustainability and environmental stewardship, we recognize the importance of conserving energy. Energy conservation not only helps reduce our environmental impact but also contributes to cost savings and a more sustainable future. Therefore, we are implementing the following circular to promote energy conservation within our premises:

#### Lighting:

- All Staff & students are requested to turn off lights when leaving a room, especially during breaks and at the end of the day.
- Make use of natural lighting whenever possible by opening curtains or blinds during daylight hours.

**Appliances and Electronics:** All Staff & students are requested to:

- Switch off computers, printers, monitors, and other office equipment when not in use, including during lunch breaks and at the end of the day.
- All Staff & students are requested to Enable power-saving features on computers and other electronic devices to automatically enter sleep mode when inactive for a certain period.
- Unplug chargers and power adapters when devices are fully charged or not in use, as they consume energy even when not actively charging.

#### Awareness and Education:

- All Staff are requested to Conduct awareness campaigns, workshops, and training sessions to educate employees/students about the importance of energy conservation and practical tips for energy-saving practices.
- NSS committee is requested Share energy-saving tips.

Let us all embrace the importance of energy conservation and actively participate in implementing energy-saving practices in our daily routines. By making conscious choices and adopting energy-efficient habits, we can collectively make a significant positive impact on the environment.

Thank you for your cooperation and support in this endeavor.

**Notice for Minimizing the use of Plastic in College**

**Dear Students and Staff,**

Plastic pollution is a growing environmental issue that requires our immediate attention and action. As an educational institution, we have a responsibility to lead by example and promote sustainable practices. Therefore, we are implementing the following circular to minimize the use of plastic within our college premises:

**Plastic Bottle Reduction:** Students and staff are requested to use reusable water bottles and provide access to water refill stations across campus.

**Plastic Bag Alternatives:** Students and staff are requested to bring their own reusable bags for carrying books, lunch, and other items. Minimize the use of plastic bags in the bookstore and cafeteria by promoting the use of paper bags or biodegradable alternatives.

**Plastic Cutlery and Straws:** Students and staff are requested to:

- Eliminate the use of single-use plastic cutlery and straws in the college cafeteria and other dining facilities.
- Reusable cutlery options for students and staff and promote their usage.

**Awareness and Education:** Staff is requested to Conduct awareness campaigns, workshops, and seminars to educate students about the environmental impact of plastic pollution and the importance of reducing plastic use.

Let us all commit to making a positive impact on the environment by actively participating in the college's efforts to reduce plastic use. By making small changes in our daily lives, we can collectively make a significant difference.

Thank you for your cooperation and support in this endeavor.

## REPORT

### **National Level Webinar on "Take your first step to go green in your educational practice"**

The Mudra Club of Department of B. Com.(Banking & Insurance) and Nature Club had organized a webinar for all the students on 20<sup>th</sup> August, 2020 at 4 pm. The topic of the webinar was "Take your first step to go green in your educational practice"

Following were the resource persons:

1. Dr. Rajesh Shekhar Omprakash (Head of The Department, Environmental Studies,  
Sant Gadge Maharaj College of Commerce & Economics. 12th Lane, Khetwadi, Mumbai)
2. Prof. D. A. Kolhapure (Associate Professor & Head Department of Geography, KLE's G. H. Degree College, Haveri, Karnataka)

Around 280 students from all over the country had participated. The program was hosted by student Ms. Aditi Upaddhya. There was a question answer session also in which all the participants asked their questions which were answered by the speakers. At the end vote of thanks was delivered by student Ms. Nilofar.

Outcome: Students learnt different ways of green practices and also understood the importance of green practices, how it can save nature.

## NOTICE

Chandrabhan Sharma College is pleased to announce that the Nature Club is organizing a seminar on the occasion of International E-Waste Day. The seminar will be held through an online meet on Wednesday, 14th October 2020.

The purpose of the seminar is to raise awareness about the growing problem of electronic waste and to promote responsible e-waste management. The seminar will feature the expert Mr. Vijay Rawool who will share their knowledge and experience on e-waste management

We invite all interested students to attend this seminar and contribute to the cause of protecting our environment. Let us all come together and do our bit to make our planet a better place to live in.

**Date** – 14<sup>th</sup> October 2020

**Time** – 8 am to 9 am

## REPORT

The International E-Waste Day is celebrated every year on October 14 to raise awareness about the growing problem of electronic waste around the world. The event is aimed at promoting the proper disposal and recycling of e-waste to protect the environment and human health. 45 students were present for the webinar.

The seminar began with a welcome address by the President of the Nature Club, who emphasized the importance of addressing the issue of e-waste and its impact on the environment. The seminar was attended by students, faculty members, and industry experts.

The speaker Mr. Vijay Rawool of the seminar was an expert, who spoke about the e-waste management system in the city. He informed the audience about the initiatives taken by the municipal corporation to collect and recycle e-waste, and how individuals could contribute to the cause.

The seminar was an excellent opportunity for participants to learn about the importance of proper e-waste management and to get involved in the cause. The Nature Club hopes to continue organizing such seminars in the future to raise awareness and promote responsible e-waste management.

Outcome: Students gained a deep understanding of the environmental impact of e-waste and the importance of responsible e-waste management. They learned about the proper disposal methods for electronic devices and the significance of recycling to reduce the harmful effects of e-waste on the environment. The seminar inspired students to adopt sustainable practices, such as reusing electronic devices, donating them for refurbishment, or properly recycling them to minimize e-waste generation.

6<sup>th</sup> February, 2021

## NOTICE

This is to inform all the students that the Nature Club in association with Young Environmentalist Programme Trust and Climate Reality Project is organizing “Zero Waste Living Challenge” from 7<sup>th</sup> February 2021 to 7<sup>th</sup> March, 2021. Students need to click picture of any ecofriendly activity done during Covid – 19 (Lockdown) and share on Instagram and Facebook.

Follow these steps while uploading your activity

- 1) Write your name and college name in description
- 2) Like @climaterealityindia
- 3) Use hashtag #zerowastelivingchallenge
- 4) Tag @youngenvironmentalistprogramme and @climaterealityindia

Maximum number of likes, shares and comments will get a chance to win an exciting prize. Top three winners will get a certificate and an opportunity to become an Eco Ambassador for an educational institute. For more details check the posters shared

7<sup>th</sup> March, 2021

## REPORT

The Nature Club of Chandrabhan Sharma College hosted a Zero Waste Living Challenge to encourage eco-friendly habits and reduce waste production. Students were encouraged to make sustainable choices, including the use of reusable containers and cloth bags. Total 27 students participated in the challenge. The initiative successfully raised awareness and promoted sustainable living practices among the college community.

Outcome: The Zero Waste Living Challenge empowered students to adopt sustainable habits and significantly reduce their waste generation. They learned to make conscious choices in their consumption patterns, prioritize reusable alternatives, and minimize their ecological footprint. The challenge fostered a sense of environmental responsibility and encouraged students to become advocates for sustainable living in their communities.

4<sup>th</sup> April, 2021

## REPORT

EMAC Zone of Bachelor of Commerce Department and Nature Club organised a webinar on 3<sup>rd</sup> April, 2021 from 11.30 am to 12.30 pm on the topic 'Environmental Sustainability and Conservation'. The webinar was organised on Google Meet platform. Online registrations were done by students and a whatsapp group was also created.

The webinar began with a brief introduction of the guest by student, Ms. Manju Nadar. The webinar was conducted by Mr Manish Pawar - Founder and Principal Consultant of Centre for Quality Management – Research, Consulting, Training. The main motive of this webinar was to educate the students on biodiversity framework and its conservation, the various types of pollution, take positive environmental action to protect nature and the planet Earth. It also aimed to exchange good practices and to educate the students on how they can contribute to pollution reduction and environment conservation on an individual level.

Around 40 students participated in this webinar and were very motivated. The webinar was a great success as students were very enthusiastic and were looking forward to such sessions in future. At the end of the webinar, there was a question and answer session. The webinar ended with a pleasant vote of thanks given by student Ms. Kartika Nadar.

Outcome: The event provided students with a comprehensive understanding of environmental sustainability and conservation. They developed a deeper appreciation for the natural environment and the need to protect it for future generations. Students learned practical strategies for living more sustainably, reducing waste, and promoting renewable energy. The event instilled a sense of responsibility and inspired students to become active advocates for environmental protection in their communities.

## REPORT

### SEMINAR ON SOLAR APPLICATION DAY

The Nature Club of Chandrabhan Sharma College organized a seminar on Solar Application Day to create awareness about the importance of solar energy and its various applications. The seminar was attended by 35 students.

The seminar began with an introduction by the President of the Nature Club, who highlighted the significance of solar energy in reducing carbon emissions and promoting sustainable development. This was followed by a keynote speech by Ms. Neha Mishra, an expert in the field of solar energy. She spoke about the various applications of solar energy, such as solar power plants, rooftop solar systems, and solar water heaters.

The seminar provided a great opportunity for students to learn about the importance of solar energy and its various applications. The experts' speeches highlighted the challenges and opportunities in the field of solar energy and motivated students to pursue careers in this area. The Nature Club intends to organize similar seminars and workshops in the future to promote sustainability and environmental consciousness among students.

**OUTCOME:** Students gained a deeper understanding of solar energy and its applications through the Seminar on Solar Application Day. They learned about the benefits of solar power, its potential to reduce carbon emissions, and its role in sustainable development. They became more aware of the importance of transitioning to renewable energy sources.

## Notice

This is to inform all the students that Nature Club in association with Young Environmental Programme Trust is initiating **“Project - Powai Lake”**

Under this project, many events will be conducted to guide students in various areas of interest associated with Powai Lake. Third event in this activity is a visit to the **“Marine and Coastal Biodiversity Centre”**. Activity includes nature trail, bird watching, lecture to understand biodiversity and environmental issues faced at Thane Creek by Environmentalist Elsie Gabriel

We cordially invite all the students to participate in the Research Project

**Date** – 27<sup>th</sup> November, 2021 Saturday

**Time** – 9 am onwards

**Venue** – Marine and Coastal Biodiversity Centre, Airoli

**Entry Fee** – Rs 25/-

28/11/2021

**Report: "Visit to Marine and Coastal Biodiversity Centre"**

Nature Club in association with the Young Environmental Programme organized "**Visit to Marine and Coastal Biodiversity Centre**" under **Powai Lake Research** project on 27<sup>th</sup> November 2021, Saturday from 9 am to 12 noon.

The event started with a walk at Thane Creek to watch different species of migrating birds like flamingos, peahens, and different species of mangroves. Later a brief introduction was given about the history of Thane Creek, areas surrounding the creek, flora and fauna present, migrating birds, how mangroves are important for the ecosystem, pollution-causing factors and how pollution is affecting the Thane Creek.

The session concluded with a small movie about the creek giving information about migrating birds, ecosystem, ecology, mangroves, and people whose livelihood is dependent on this creek. 18 participants joined the visit making it a success. The activity ended on a good note with an informative and interactive session.

**Outcome**

1. Students understood the importance of water bodies in our life
2. They understood importance of mangroves
3. Visit helped students get closer to the nature

## AGREEMENT E-WASTE COLLECTION POINTS

Dt: 11/01/2021

THIS AGREEMENT "E-WASTE COLLECTION BINS" is executed at Navi Mumbai on Dt: 11/1/2021

### BETWEEN

M/s Eco Friend Industries, having its registered office at A205, TTC MIDC, South Central Rd. Pawane, Navi Mumbai 400710 Maharashtra, are in the Business of E-Waste, Electronic and Electrical Waste Collection, Transportation, Handling, Management, Recycling and Disposal hereinafter referred to as "EFI", which expression unless be repugnant to the context, shall mean and include successors and assigns of the One Part.

### AND

[NAME] Chandrabhan Sharma college of  
Having its registered office at [Address] ARTS, Commerce & Science  
Powai Vihar complex, Powai Mumbai-76

Having Bin/Bins to be installed at [Address]: See Annexure A.

hereinafter referred to as "PARTY", which expression unless be repugnant to the context, shall mean and include successors and assigns of the One Part.

PARTY is a:

- |                                                    |                                            |                                     |                               |
|----------------------------------------------------|--------------------------------------------|-------------------------------------|-------------------------------|
| <input checked="" type="checkbox"/> School/College | <input type="checkbox"/> Company/Corporate | <input type="checkbox"/> Society    | <input type="checkbox"/> Club |
| <input type="checkbox"/> Mall                      | <input type="checkbox"/> Retailer/Shops    | <input type="checkbox"/> Government | <input type="checkbox"/> NGO  |
| <input type="checkbox"/> Others: _____             |                                            |                                     |                               |

Pollution due to E-Waste is becoming a growing concern for our Cities, due to the unauthorized handling of E-Waste by Bhangarwalas. Informed Individuals have the inclination to dispose E-Waste in an authorized manner but find it difficult to coordinate disposal of small quantities of E-Waste with a Recycling and Management Companies. Hence EFI and PARTY are coming together to provide a solution for the general consumer and generator of E-Waste.

Eco Friend Industries (EFI) is in the business of Electronic and Electrical Waste Management, Disposal and Recycling. Eco Friend Industries having its facility at
