RCML Cleans Up Visarjan Ghat post-Ganpati Immersion

Darshini Parekh

After bidding farewell to lord Ganesh, Powaites braving the downpour on 13th September (Friday) came forward to help the BMC authorities for cleaning up Powai lake. Drawing inspiration from *Afroz Shah* who single handedly started the Versova Beach Clean Up Drive, Rotary Club of Mumbai Lakers (RCML) for the first time, took the initiative to clean up the ghat area of Powai lake along with Rotractors and many residents of Powai.

Thank you all who volunteered to actively participate in this clean up drive. A special thank you to the Rotractors of Rotaract Club of Sinhgad College and Rotaract Club Chandrabhan Sharma College. It always feels good to see them spread awareness about keeping the environment clean.

It's indeed a heartbreaking sight to see the aftermath of the festival on the lake. The team started at 6:30 in the morning and within two-and-a-half

hours, the volunteers managed to collect nearly 15 large dustbins of waste - mostly plastic, flowers, thermocol, flowers etc.

Many of them have now opted for an eco-friendly immersion this year, but still there was a lot of plastic material which was cleaned up during the cleanup drive. RCML strongly feels and always been promoting to celebrate the festival in an eco-friendly way. This journey will definitely show a positive change over the coming years.
