REPORT

The Department of Mass Media organized One Day Sound Recording and Editing Workshop – Record, Edit, Mix, Create. Sound editing workshop was conducted for Mass Media students and guided by the Director of MET Institute of Mass Media - Dr. Mangesh Karandikar on 24th March, 2021. Dr Karandikar gave a brief detail about how to record a sound and edit, mix to create new sound. Workshop continued for 2 hours, while Dr. Karandikar shared knowledge and experience with students of Mass Media. A basic tour to sounds and editing was introduced to students to be used in Film Making and Dubbing. He even shared some tips, audio files and softwares for students so they can learn and play with sound in creative ways.

35 participants participated in the webinar.
