Report

Department of Management Studies has conducted webinar on 'Choosing the Right Career Path'. The webinar was exclusively conducted for the first year BMS students. This webinar was held to help and guide the students on selecting the right specialization for them. The speaker of the webinar was Dr. Poonam Kakkad, Nirmla Memorial Foundation College of Commerce & Science. She enlightened students with insights of all the three specializations i.e: Marketing, Finance, Human Resource. She solved all the queries of the students and guided them to take the decision. 79 students attended the webinar.
