Report

Library and Information Centre organized National Webinar on **National Digital Library of India: User Awareness Program** on 19th August, 2020 from 05:00 pm to 06:30 pm. The Resource Persons was Dr. Vignesh Sornamohan, Chief Strategic and Outreach Officer NDLI, IIT Kharagpur, West Bengal. The main objective of this webinar was to create awareness abou National Digital Library of India and to know the vast resources available online through NDLI where user can sit at one place and access number of e-resources through various search strategy. More than 138 participants have participated in this webinar which are from our college Teaching Faculty and others college and university teaching staff. The Sir has started his session with the introduction of NDLI, Why everyone should use NDLI, how it is helpful in this pandemic, its Use Models, Various access options wise content available and Types of Resources available, then he gave tour of how to access NDLI and it can be access in many Indian languages, How to do individual registration and bulk registration, Video Lectures to understand the concept clearly, various filter option can search by Access Restriction, Author, Subject category, Educational Degree, Difficulty level, File format, language, Resource Type, He then Introduced NDLI Mobile App which is Available on Android and iOS and in UMANG App, and lastly Google Vs. NDLI : How is it Different?, Examples of users those are using NDLI, also showed HOW TO OPERATE NDLI CLUB?, Activities carried out in NDLI Club. After the presentation of resource person question and answer session took place where questions received from participants and their questions were positively answered by resources person, and positive feedback received from participants.
