Quiz Competition on World Health Day

CommonOthas <https://forms.gle/FqH3ANQwQmFC4A>

Today is World Health Day, foundation day of World Health Organization (WHO). WHO was founded on 7th April, 1948. It is an initiative taken by the World Health Organization (WHO) to create awareness on the benefits of being healthy. World Health Day was first celebrated worldwide in the year 1950. It is universal. "Health is Wealth". It is the utmost important aspect of our existence which can't be denied. We all know various types of diseases prevail in the environment due to which people suffer. It is necessary to spread awareness among people and to impart knowledge about health.
