Message for “ Campus Life”

The year 2015 is coming to a close in a couple of months and it's time for each one of us to gather memories, both good and not so good. Every past year is another lesson learnt, not just professionally but personally.

“Campus Life” is a phase when every student cherishes and treasures memories and in hindsight looks back as his or her best years.

My best wishes to the Principal, Staff, Students, Faculty of Chandrabhan Sharma College of Arts, Science & Commerce, Powai.

Hearty congratulations to the team involved in the conceptualization and implementation of the Magazine. My best wishes for this first issue and will look forward to many more to follow in the years to come

A Word from the

Managing Trustee

The vision of my grandfather Pandit Chandrabhan Sharma was "to educate and empower the youth". It was the dream of my father Shri Gopal Sharma, to achieve the vision of Pandit Chandrabhan Sharma. Starting a higher educational institute was on his mind for a long time. It is now a tangible reality with the growth of Chandrabhan Sharma College of Arts, Science & Commerce, to achieve his desire and to impart quality education in vocational and technical subjects, Chandrabhan Sharma College of Arts, Science & Commerce was founded and nurtured by me. As I stand before this institute of higher education, I feel a sense of satisfaction and pride. Today they are no more, but their ideals and vision are taking shape before me. For I know, this was what they wanted.

I believe that, quality education should be made available to all. Education is the main tool that changes the thinking of man. Education is not preparation of life but life itself. College education is the most crucial phase of student's educational journey, as it builds enduring qualities, expertise, skills and leads to realization of their dream. Better education means better citizen and better country.

Smt. Durgadevi Sharma Charitable Trust was established with the aim to provide excellent educational opportunity and support to the needy students.

To conclude, it is my promise that this college will prove to be an ideal place to provide all possible opportunities for the best education and development of an all round personality to meet the challenges of the competitive future.

On behalf of the managing body, Smt. Durgadevi Sharma Charitable Trust, I take this opportunity to thank each and every one who has helped in converting my father's dream into reality.

From The Principal's Desk

Dear Students

I welcome you to Chandrabhan Sharma College with pride. It is an honour and a privilege to be the Principal of Chandrabhan Sharma College, College that stands for excellence and continuously sets the highest standards, catering to more than 3000 students.

Dear students, it is the age of cut throat competition. Apart from being adept in the field of studies, one needs to have the holistic development of person also. College is a budding society in itself, where you will find students from every stratum of the society. College represents the society in its true colours. It is that part of life, which is cherished and enjoyed by everyone to the fullest. College is an institution, where students learn to be empowered and hence make their decisions independently. This is the period, which transforms an individual into a responsible citizen for the fortified nation.

We feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development. The college is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various co-curricular and extra-curricular activities. An amiable environment at the college nurtures creativity, passion, and resilience and leadership qualities among students for development of versatile personality.

Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life. This will require tremendous self-motivation on the part of all concerned but will be fulfilling for the student as well as the faculty

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

With best wishes and blessing for the upcoming session.

BACHELOR OF MASS MEDIA (B.M.M.)

HEAD OF DEPARTMENT

REPORT 2014-15

The Department of Mass Media of Chandrabhan Sharma College is a mini Media World in every sense of the word. The year 2014-15 was having many activities which led to overall development of student's personality. On 28th June, 2014, an orientation was organised for First Year BMM students to make them aware about the curricular and co-curricular activities. The Department of Mass Media of Chandrabhan Sharma College offers both Journalism and Advertising option at Final Year Level.

This year Mass Media Department inaugurated the “Media World Club” for the BMM students. This club encourages the students to develop their creative skills.

With the Media World club the students of BMM Department are encouraged to participate in inter-collegiate and intra-collegiate events like Documentary, short film and Ad film making competitions. A seminar was organized for short film making for which Mr. Rakesh Tari, an eminent personality was invited to review the documentaries made by the BMM students. Due to constant exposure and encouragement of teaching faculties, students have participated and won in several inter-collegiate events. One of our student, Mr. Mahesh Chougale made us proud by winning 3rd Prize at National level Documentary film making competition.

Students are also enriched with media exposure by inviting eminent field experts in the world of Advertising and Journalism. Ms. Nehan Shaikh, a copywriter with E-scan Pvt. Ltd. was invited as a guest speaker to address the students about various future prospects in media and share her media experiences with the students. Also Mr. Rashid Ahmad a reporter from TV9 news channel was invited to inform the students about broadcast media and the technicalities involved in functioning of news channels.

Media world not only invites subject experts but also encourages industry exposure to the students by taking them on visits. This year students were taken to Times of India Press, Kandivali and Doordarshan, Worli. These visits have enlightened the students about the working of media industry. Media world has also initiated in placement for the students in various media organisations. We have successfully placed our students for internship with reputed companies like Lemon Television, TV9 and many more.

BACHELOR OF MANAGEMENT STUDIES (B.M.S)

HEAD OF DEPARTMENT

REPORT 2014-15

The B.M.S department of Chandrabhan Sharma College constantly pushes the envelope to create an environment for students which not only propels them academically but also gives them a platform to show their creativity and skills. We thrive hard to develop all round skills and harbour continuous learning.

The year 2014-15 has been an exciting year full of events, achievements and learning. This year BMS Association “Chanakya Niti” was inaugurated in the month of July by Dr Rajinder Aurora. During the event committee was formed where the students of BMS were given corporate positions as President, Vice President, Secretary and Treasurer. Chanakya Niti association thus gave an opportunity to the students of BMS to function as a corporate which is essential part of their education. The committee under the banner of Chanakya Niti organized “Non Verbal Act” competition in August. In September “PPT Fiesta” followed by “Business Mantra – Create New Businesses” in January 2015.

Education is incomplete without students getting Industrial exposure thus in the month of January 2015 the department organized an Industrial Visits to Chandigarh-Simla for FYBMS and SYBMS and in the month of February a visit for TYBMS students to Amritsar-Simla.

In the last few years education has transformed from “Chalk and Talk” to innovative style teaching. The faculties in the department have started using innovative styles like audio-visuals, presentations, case-studies and group discussions to make learning fun within the four walls of college. They have started showing movies on the subjects like Bhopal Gas Tragedy, Facebook, Google and Steve Jobs to make the content of the subject more realistic and fun. The department has created mentoring programme for students and have assigned mentors to classes so that one on one teaching and counselling is possible. Students are encouraged to discuss business scenarios and articles in classrooms. The results are visible as majority of the students have been placed in companies before their Semester VI examination.

Not only students but faculties are also paving way with their own achievements. This year Prof. Tushar Agarwal cleared UGC-SET examinations. He has presented three papers in International conferences this year and published five papers, attended several seminars, workshops and Faculty Development Programmes.

INDUSTRIAL VISIT

INDUSTRIAL VISIT REPORT 2014-15

“Learning is not confined in the four walls of a classroom” a quote given by anonymous author. We at Chandrabhan Sharma College try to merge theory with practical. The department thus tries to create the bridge by taking students to various industries across India to give maximum exposure.

Chandrabhan Sharma organized its 1st Industrial visit of the academic year 2014-15 on 12th January, 2015 for 6 nights 7 days to Chandigarh – Shimla with 100 students studying in the first & second years of various departments. The industry visited was Micro – Turners Industry at Chandigarh which is one of the largest integrated component manufacturers in India.

On 12th February, 2015 another visit was organized for third year students to Amritsar – Shimla for 6 nights 7 days. Over 70 students became a part of the visit. The students were taken to see various small and medium industries.

Industrial visits are not only academic in nature but they are also fun. Students visited Rock garden in Chandigarh, Wagah border, Golden Temple at Amritsar as part of sightseeing. At Shimla students not only visited various Small and Medium enterprises but looked at the retail scenario at Mall road and visited Kufri for fun and frolic.

WOMEN DEVELOPMENT CELL ACADEMIC YEAR 2014-15

The University of Mumbai made the formation of 'Women Development Cell' in colleges mandatory after the Vishaka Judgment in the year 2001. In compliance of this mandate of the university, the Women Development Cell was formed in our college in the year 2013.

The main objective of this cell is to prevent sexual harassment and to promote general well-being of female students, teaching and non-teaching staff of the College and to create social awareness about the problems faced by women. During the year the cell has organized seminars and workshops for creating general awareness and orientation of students, teachers, and non-teaching staff for their active and sustained participation in the activities of the Cell.

To encourage the participation of NGOs working in the area of women development the college has invited them to initiate in the activities of the Cell. On 9th August, 2014 a seminar on “women well-being and development” was organized wherein two prominent speakers as well as social activists, Kamayani Mahabal and Minoo Mantri were invited. Discussion on various burning issues related to women like eve teasing, violence against women, harassment, and rape were discussed.

Another program of the cell was organized on 10th September, 2014 on “adolescent development: health & hygiene issues”. Dr. Sachin Dalal, a gynaecologist delivered a speech covering self-presentation, healthy eating habits, diet plan and many other topics, which are of great importance in today's lifestyle. Dr. Komal and Dr. Tushar Gaikwad were other speakers for the event. Both gynecologist working in Hiranandani hospital Powai, interacted with the students on various topics covering the human development, reproduction system, protection from sexually transmitted diseases, basic hygiene students must follow etc.

**SCIENCE WORKSHOP
SCIENCE ASSOCIATION**

Developing scientific attitude in the youth is the need of the hour. Science department of Chandrabhan Sharma College has always done its best to achieve this goal. One more benchmark in this regard was set up by the organization of science workshop. Students presented various models and explained the principles used to make the models. One could get a glimpse of 'future scientists' in them. The occasion was graced with the presence of Principal of I.D.U.B.S. College as the guest of honour. Games based on various scientific principles were worth playing. The extempore competition was more of a brainstorming session where the youth expressed their opinions on various scientific issues. Attending the workshop was an enriching experience.

**SKIT COMPETITION
ENGLISH DEPARTMENT**

Skits have been always considered the best medium to express ones emotions. Taking this view into consideration, the English Department of Chandrabhan Sharma Junior College had organized a Skit Competition in English language. The competition aimed at developing confidence, team spirit, verbal and non verbal communication of the students. Students participated with zeal and performed skits on social issues like woman harassment, corruption, save a girl child etc. Around ten skits were presented during the event. Nine skits were sketch comedies and one was a puppet skit. Every skit was an evidence of team work and hard work. The group which performed with the theme, 'Ill Effects Junk Food' won the first place in the competition. This competition was truly a platform for the students to showcase their talent, at the same time it was a medium to develop their communication in English Language.

TEACHER & STUDENTS CORNER**ROLE OF AN INDIAN YOUTH...***By Aldron Coelha (Sybaf)*

In words of James” Youth is the joy, the little bird that has broken out of the eggs and is eagerly waiting to spread out its wings in the open sky of freedom and hope.”

Youth is the spring of Life. It is the age of discovery and dreams. India is Nation of largest youth population in the world today. The entire world is eyeing India as a source of technical manpower. They are looking at our youth as a source of talents at low costs for their future super profits. If Indian youth make up their mind and work in close unity with working class people, they can hold the political power in their hands. Indian youth has the power to make the country from developing nation to a developed nation. Is it a dream? No, their dreams take them to stars and galaxies to the far corners of the unknown and some of them like our own Kalpana Chawla pursue their dream, till they realize it and die for it and achieve the wonders out of it. The youth hopes for a world free of poverty, unemployment, inequality and exploitation of youth. A world free of discrimination on the grounds of race, colour, language and gender. A world full of creative challenges and opportunities to conquer them. But let us convert these hopes in reality.

Role of Youth: The role of youth is of most importance in today’s time. It has underplayed itself in field of politics. It should become aspiring entrepreneur rather than mere workers. It can play a vital role in elimination of terrorism. Young participation is important because youth are the country’s power. Youth recognize problems and can solve them. Youth are strong forces in social movements. They educate children about their rights. They help other young people attain a higher level of Intellectual ability and to become qualified adults.

Problems

Unfortunately no one is bothered to dream any vision. Martin Luther had said, "I have a Dream" and the dream came largely true. If he had not thought of that dream he would have accomplished nothing in his life. The youth, the students have to realize their power , their role, their duties and their responsibility and stand up for their rights. Now its time that instead of brain drain we should act like magnets and attract world to India to archive its Betterment for near future.

Conclusion....

India can become a developed nation only if everyone contributes to the best of his or her capacity and ability. Youth is wholly experimental and with the full utilization of the talents of the Youth, India will become a complete Nation. Let us hope for the same.

‘Youth is like a fire
It crept forward.
A Spark at first
Growing into a flame
The brightening into a Blaze’

CHANGE: A PART OF LIFE

Change is a part of life,
Accepting Change is an art of Life.

Change helps you in judging friends,
A little change helps in meeting ends.
If people change with the time,
Its better to react with a mime.

Time is the biggest healer,
It will give what one deserves, like a dealer.
People who forget righteousness with positions,
Time brings them to the roots with changing situations.

Change makes you strong,
With confidence, you can throng.
Changes may be good or bad,
Lessons learnt will make you glad.

Change is a part of life,
Accepting change is an art of life.

SUNRISE**A NEW BEGINING !!**

Like a smile shining on a child's face,
So is the sun ready to shine for a new race.
Waking up listening to alarm is a big deal
But when it is to see you shine, it is a beautiful feel.
Realising the Creator has given me a chance to live is a big relief!
Focusing on my mission ahead let me Rise & Shine
With a firm belief.

अपना नज़रिया बदलो

Prof. Krishnakant Pandey

एक अत्यन्त धनी व्यक्ति था। उसके पास इतना धन था कि वह कुछ भी खरीद सकता था। किन्तु उसके साथ एक समस्या थी और वह थी उसकी आँखों में लगातार रहने वाला दर्द।

उसने कई चिकित्सकों को दिखाया और उसकी इस समस्या का इलाज लगातार चल रहा था। किन्तु कोई लाभ नहीं हो रहा था। उसे इस बीमारी से पीछा छुड़ाने के लिए सैकड़ों इंजेक्शंस भी लगवाने पड़ चुके थे। दवाईयें तो वह इतनी खा चुका था जिनकी कोई गिनती ही न थी।

किन्तु दर्द कम होने के स्थान पर बढ़ता ही जा रहा था। अन्त में एक ऐसे भिक्षु को उस धनी व्यक्ति की आँखों का दर्द ठीक करने के लिए बुलाया गया जो इस प्रकार के लाइलाज मर्ज़ ठीक करने का विशेषज्ञ माना जाता था।

भिक्षु ने पहले तो धनी व्यक्ति की समस्या को समझा और फिर कहा कि कुछ समय के लिए इस व्यक्ति को केवल हरे रंग की वस्तुओं और पदार्थों को ही देखना है और कोशिश करनी है कि कोई और रंग (हरे रंग के अलावा) उसकी आँखों पर न पड़े।

धनी व्यक्ति ने तुरन्त पेन्टरों को बुलाया और कई बैरल हरा रंग खरीदा और उन पेन्टरों को हिदायत दी कि जो-जो चीज़ें भी उसकी नज़र से गुज़रने की सम्भावना हो उन्हें हरे रंग से रंग दिया जाये।

कुछ दिनों के बाद जब वह भिक्षु दोबारा उस धनी व्यक्ति को देखने आया, तो धनी व्यक्ति के कर्मचारी हरे रंग से भरी बाल्टियाँ लेकर गये और उन्होंने उस भिक्षु को हरे रंग से सराबोर कर दिया क्यों कि भिक्षु ने केसरिया रंग का चोला पहना हुआ था। इसके बाद जब भिक्षु उस धनी व्यक्ति के सम्मुख पहुंचा तो जोर से हंसा और बोला,

" साहब ! आपने यदि केवल एक हरे रंग के शीशों वाला चश्मा ही खरीद लिया होता, तो आपका बहुत सा सामान, दीवारें, बर्तन इत्यादि बर्बाद होने से बच जाते और आपका बहुत सा धन भी बच गया होता जो आपने रंगों और पेन्टरों पर खर्च किया। "

शिक्षा :

" आप पूरे संसार को हरे रंग से नहीं रंग सकते। "

आप अपना नज़रिया बदल लें और पूरा संसार आपको वैसा ही दिखने लगेगा। यदि आप पूरी दुनियां को बदलना चाहते हैं तो पहले अपने आपको बदलिए।

पणती वंशाची
