REPORT

IQAC and Research Cell (SANSHODH) of Chandraban Sharma College organise a Seminar On “Anatomy of A Project Work: Outlining and Structuring” as a guideline to prepare Project Work for TY Sem VI. All the self-finance TY students are requested to boost their research attitude and project work knowledge. The seminar helps to strengthen the student's core skills and prepares them to face future challenges. An innovative and worthwhile final year project helps to provide practical exposure that helps to enhance your problem-solving skills, management skills, research, and analysis.

In this event, approximately 200 students participated. The event was held for approximately 2 hours. The guest of honour for the aforesaid event was Dr Anita Pandey. Last year's project signifies a milestone in a student's life. It helps to bridge the gap between theory-based learning and skills-based.
