Smt. Durgadevi Sharma Charitable Trust's

Chandrabhan Sharma College

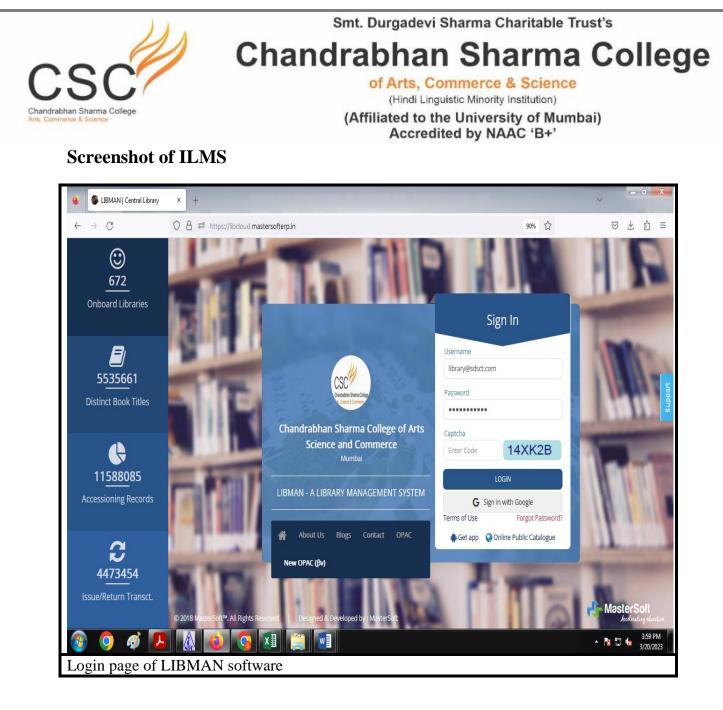

of Arts, Commerce & Science (Hindi Linguistic Minority Institution) (Affiliated to the University of Mumbai) Accredited by NAAC 'B+'

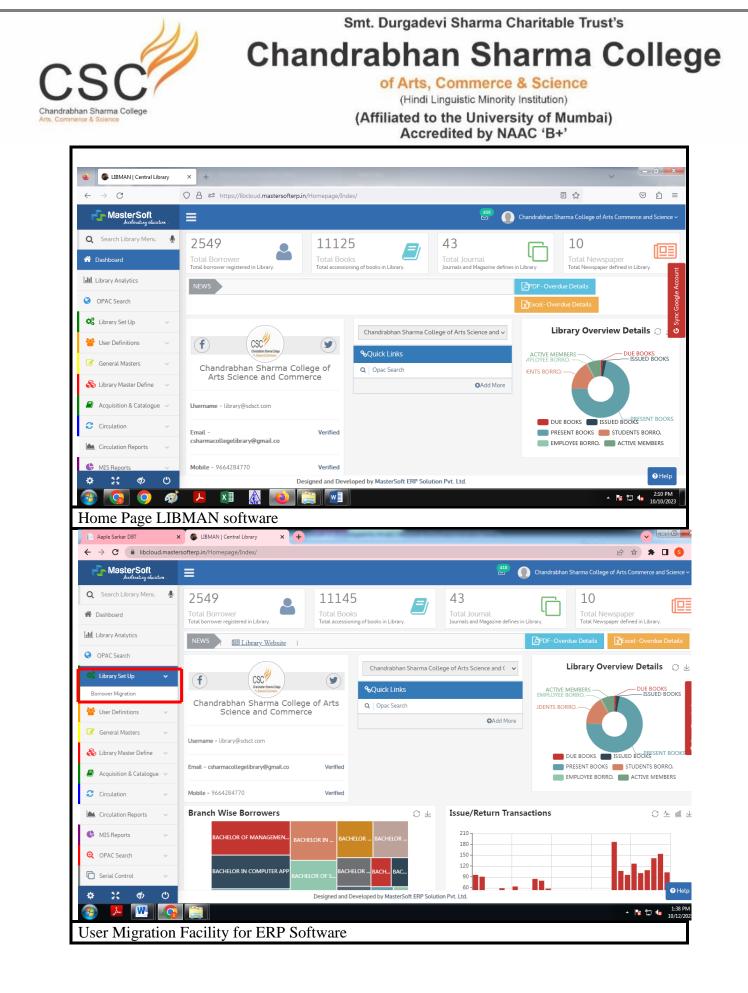

4.2.1 Library is automated using Integrated Library Management System (ILMS)

Initially, e-Granthalaya – 3.0 was used as the ILMS. This was upgraded with LIBMAN Cloud Based ILMS in 2022. LIBMAN is part of Mastersoft ERP and it is highly integrated, user-friendly and compatible system for complete computerization of all the in-house operations of Library. The important features of LIBMAN like cataloguing facility, customizable search, online circulation and barcode printing, automatic check in/out, newspaper modules, various reports, smartphone app for book search M-OPAC etc.

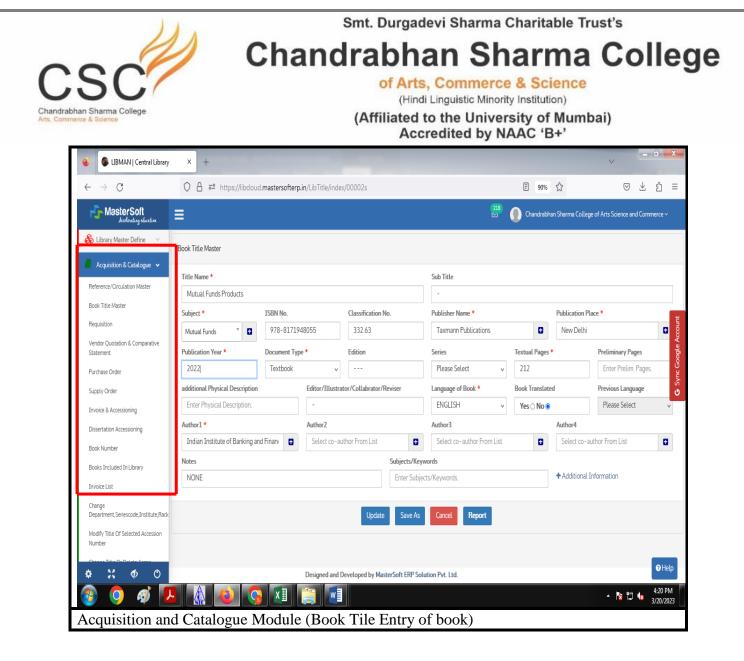

Various library activities are done with the help of this software, such as maintaining acquisition and cataloguing records, issuing/returning and renewing books, as well as issuing Book Bank Books, generating various kinds of reports. The software also assists in sending regular updates of books purchased by the library on MOPAC, managing newspapers records, maintaining membership details of students and staff members (either directly or by importing data from ERP to the library), generating spine labels and barcodes, and conducting stock verification etc.

LIBMAN ILMS provides an Online Public Access Catalogue (OPAC) facility to search library documents through various search option. The users can search for any book which they want to issue. All is a need to search according to a book title, subject wise, and author name etc. for better results. It also provides Mobile application to library user call MOPAC, through this application user can know their library transaction details, library news, reserve book and know new arrivals in library.
