Description of the Event	As part of the World Turtle Day webinar organized by the Nature Club, an interactive quiz session was conducted to test the participants' knowledge and engage them in a fun and educational manner. The quiz aimed to reinforce the information shared during the presentations and encourage active participation. Participants were given a specific amount of time to answer the questions. This quiz session allowed participants to assess their understanding of turtle conservation while promoting engagement and knowledge retention. The webinar ended with a pleasant vote of thanks.
Outcome of the Event	<ol style="list-style-type: none"> 1. The World Turtle Day webinar successfully raised awareness about turtle conservation and generated a sense of responsibility among the participants. 2. By showcasing the expertise of renowned speakers and captivating visuals, the event educated attendees about the plight of turtles and motivated them to take action. 3. Knowledge gained from the webinar will inspire individuals to contribute towards protecting these remarkable creatures and their ecosystems.
