## A word from the Managing Trustee

**CSC** as an institute reflects my father's ambition to imbibe quality education to the young minds and contribute to the country's prosperity. He wanted our generation to become responsible members of the society who will contribute to the development of the country.

In today's world with the continuous advancement in technology, unpredictable market and worldwide spread of opportunities; the best we can do for the upcoming generation is to instill them with values and skills that they will need in a future that we cannot predict. It is my dream to be able to deliver such knowledge to the upcoming generation and CSC is one approach to dispense this experience.

The college emphasizes on excellent level of education and extracurricular activities to meet over all development of student's managerial skills and inter personal skill and all this is possible due to commitment and dedication of the teaching and non- teaching staff at CSC.

The college pays attention to our students' socio-cultural achievements as well as their academic success to meet over all development of student's managerial skills and inter personal skill and all this is possible due to the commitment and dedication of the teaching and non-teaching staff at CSC.

Today as I see CSC standing tall in Powai . I feel proud to exercise my father's dream to share his philosophy among the youth and inspire them to contribute to country's prosperity efficiently.

I feel proud when CSC follows a policy of zero tolerance in compromising quality education, security of students in campus and exposure to activities that enhances the ability of students to learn and relearn.

It gives me immense pleasure to resonate the inspiration I get from my father through this institute and nurture the youth of the country leading towards creating a better tomorrow for all.

## From the Principal's Desk

A Quality of education is a basic human right that every human being possesses. We at CSC have been continuously in a process of giving our best to the society with not only providing knowledge but also helping the students to face the challenges. We train students as per the need of market.

Right from the inception of this institute we take an oath to deliver knowledge in a way that teaching becomes pleasure and learning becomes joy, where learning and excelling is a passion and culture. Values are embodied with pride in every student. Our aim is not just impart knowledge to the students, but also to inculcate in them- wisdom, compassion and team spirit.

Our caring and committed teachers resonate as pillars of this institute and teach students in a way that they endeavor to excel in academics and reflect energy to be game changer as well. We believe in the importance of teachers, parents, and administrators communicating openly and frequently. CSC continuously improving the quality in the tools of communication, parents have access to an interactive website where they can retrieve all the information about college and their wards attendance and academic progress.

We believe that every student at CSC has a potential to be unique and we share our responsibility to nurture them here in CSC so that they blossom and turn out to be the pioneers in the world outside. For such development we have Placements & Career Guidance Cell, Department of Lifelong Learning & Extension, Rotaract Club, Cultural Fest, Add-on Courses such as Personality Development, Online Skill Development and so on. These initiatives have contributed to hone the cognitive, psychomotor and affective domain of our students.
