With reference to the above cited subject we had suggested the team to undertake certain aspects towards water, waste management for Green Buildings.

Additionally, we also recommended the team to upgrade the premises through documentation and reflectance of activities for awareness and sensitization of the stakeholders.

The team has shown full enthusiasm towards the same and joined hands to undertake the tasks. The initiatives undertaken are documented below:

- *Undertaking Green, Energy and Environment Audit for the premise.*
- *Roadmap for the Green Building initiatives through policy documents.*
- *Awareness campaigns in the form of banners and signboards based on the audit inferences*
- *Expert article on behalf of College and publishing on our blog*
- *Publishing the Report in a Book with ISBN Number*
- *Website documentation w.r.t. Sustainability aspects*

All of these initiatives are highly commendable. We hope the College continues similar efforts in the future as well.
